Please send your completed application form with attachments to: [info@somersetgardenstrust.org.uk](mailto:info@somersetgardenstrust.org.uk)

## For use by the Trust

Application received on:

Awarded: Yes / No

Comments

## Guidance Notes for an Education Grant application

1. We give grants to new or renovation projects of up to £350. Although new projects should not have been started when applying to us for a grant, we will consider your application if it is part of a much larger scheme and you have your own funds or are applying to other grant giving bodies.
2. Please give details of your requirements: for example, the specific plants you would like and their price or the specific measurements of timber and price if building a vegetable bed etc.
3. Please give details of how the project will enhance learning for your pupils and outline how this will increase their knowledge of horticulture.
4. Parents and/or local allotment holders are often willing to support school projects; School Governors and Parent Teacher Associations will also contribute where possible so please state if you have approached them.
5. Please do state how the project will be managed in the future.
6. The decision of the Trust is final.
